**COMMANDER JONES NAMES COMMITTEE MEMBERSHIPS**

Commander J. B. Jones of the local Legion Post has announced Committee appointments for the coming Post year.

An Honor Guard with a full complement has been named and is expected to prepare its unit and be ready for functions at which it may be asked to officiate.

An expanded Fair Committee has also been appointed.

The following are the Committees, with Chairmen and memberships listed:

Country Club of the Brevard Region

Joe Ziemann, our pro, came in with the 39 Pro-Am to play the Florida Open, Wednesday, despite the deluge of water on the Miami Shores Course. According to a Miami paper the members were rather embarrassed about what visitors would think of the Miami weather.

Joe and Larry Nash were among the 39 foursomes to play 18 holes before the rain commenced by an electrical storm caused the match to be called off, however the score of 20 not count as 13 foursomes were rained out. So through a comparison of cards the pro-tour was played Thursday in the first round of the Florida Open.

Casper Van Landingham, Larry Nash and Joe Ziemann were the only golfers from Belle Glade to qualify in the Florida Open, which started Thursday morning in the 72 hole medal competition, with 347 entries. Many believe that a 1950 would be good on the 1950 medal course.

Ladies Golf Day, Wednesday, will be held on an account of the golfers are playing the Plantation course at Ft. Lauderdale today, in the Goldstream Golf Tournament. Louise McWhorter, Kate Weeks, Louise McCabe and Alyce Van Landingham are the only foursomes playing.

### THREE LOCAL GIRLS PARTICIPATE IN FSU SUMMER MUSIC CAMP

Three students from the Belle Glade area were among the 231 talented high school musicians from five Southeastern states who participated in the 1953 Summer Music Camp at Florida State University. This year's camp was the largest and most successful in the 12 years the camp has been offered at FSU.

Faye Herring, of Belle Glade, and Barbara Jeanne Willets, of South Bay, were members of the 163-piece Camp Band. Glenda Dell, of Chosen, was a member of the Camp Chorus. Glenda also appeared in a student recital during camp, playing Schubert's "Rhapsody in Blue".

Glenda also placed first in the girls' ping-pong singles tournament.

The five week camp session ended Friday evening, July 17, with a final Gala Concert in the beautiful Opperman Music Hall on the campus.

Following the concert, the orchestra, chorus, dance band, twirling class and 163-piece band, camp director Dr. K. O. Kuester presented the campers with citizenship awards and thirteen received special citizenship awards.

**Local Guard Unit Leaves Sunday For Annual Training**

Company Commander Crommie, two officers and sixty-three enlisted men of the local Company "B" of the 211th Infantry Regiment, Florida National Guard will be ready Monday morning at Camp McChesney, Alabama, to "make the grade" for they will then enter two weeks of intensive preparation in the art of war.

The strength of the Company has been brought up considerably recently through an intensive recruiting program under the Company Commander, and the boys have been given a thorough training as a Guard unit.

The group is expected to return on the 9th of August, and to bring home a record of outstanding accomplishment as a unit.

The following is a list of those making the trip:

Crommie, John H. 2nd Lt. Johnson, Kenneth P. 2nd Lt. McQueen, James R. 2nd Lt. Spurlin, Warren L. M/Sgt. Aunstrup, James F. SFC. Sims, James C. SFC. Anderson, Robert J. Sgt. Cronquist, Walter W. Sgt. ### Joint Meeting Hears Report On Boys' Girls' State

What is this younger generation coming to? After listening to the reports given by the delegates to Boys' State and Girls' State at the joint meeting of the Legion Post No. 20 and Unit No. 20 last Tuesday night, there is but one answer, that they will be tomorrow's Mr. and Mrs. Solid Citizens.

Susanne Forsee was unable to make her report due to the fact that she is in Kentucky on vacation.

The reports of Joel Parker, South Bay, Jimmy Robinson of Lake Harbor, delegates to Boys' State, and those of Mary May of that of Jane Norris, Girls' State candidate, was equally so; their first hand experience in administering state and national affairs leaves no doubt that they are, and will continue to be, actively interested in the welfare and safety of our nation. Included in the bills that they endorsed was the turnpike, a stricter law governing narcotics offenders and a bill to cover the mines and pits in order to eliminate so many accidents and loss of life.

Can you imagine the young people of today requesting more school work? These young people did. Each voiced a definite opinion that a course in Florida Government, parliamentary procedure, public speaking and oratory be added to the school curriculum. Nathan Mayo "I evidently their exemplar of oratory ability - 'If I could speak like that, he didn't even use notes and he talked to us in a way that made us want to listen.' The contents of that sentence was voiced by each of the young speakers."

Next to the speakers platform came Frank Dooley, Exalted Ruler of the local Elks Club, (he didn't use notes either) and gave a very fine speech endorsing the work of the Legion and pledging the support of the Elks to any enterprise for civic betterment that the Legion might undertake. He emphatically endorsed the request of the young people that public speaking, become a part of the school work and pointed out that it helps so much to give an accurate presentation of thoughts and ideas, overcomes fear and self-consciousness, all of which is conducive to better citizenship.

A better than average turnout was at the Legion joint meeting despite the terrific heat. The Legion fair committee will meet tonight at the office of Mr. Willis, Finance Officer.

### WEST PALM'S WIRK-TV TRANSMITTER SHIPPED

A new UHF (ultra-high-frequency) television transmitter was shipped recently to station WIRK-TV in West Palm Beach, Fla., by the RCA Victor Division of the Radio Corporation of America. It was announced here this week by the company's Engineering Products Department.

The transmitter will be the first in the Palm Beach area to broadcast in one of the new higher-frequency TV channels.

The new UHF station, which will operate in Channel 21, is owned by WIRK-TV, Inc., operators of radio station WIRK.

RCA expects to ship the station's UHF antenna and auxiliary equipment, final requirements for going on the air, early next month, a company spokesman said.

The new transmitter, which is the result of three years of intensive commercial development by RCA, has a visual range of more than 100 miles. The high-gain antenna and special transmission line used with it will multiply the strength of the signal to more than 30 times its initial power.

**ART CLASS FOR CHILDREN OPENS AT NORTON AUG. 4**

In response to requests, a new art class for children starts at the Norton School, August 4. Tuesday and Thursday mornings, 9:30-11:30, boys and girls from 6 to 14 years of age may now study with Earl Lundgren.

Mr. Lundgren will be teaching painting and ceramics. Those interested may contact the Dean of Students at WPB 5194.

On Tuesday, August 4, and painting from a costume model is scheduled from Monday, July 27 from 8 pm to 9 pm. There is no charge for attending this class.

Old Florida architecture, paintings by Louis Furedi, portrait of Harry by Mary D. Cole, and paintings by children of the Norton School of Art. Contemporary Mexican oil and water color paintings and prints lent by Int'l Business Machines Corp. go on view August 4.

**Pratt Patients Entertained By Everglades Unit**

Monday night, July 20, 1953, with the cooperation of the Legion Post, entertained the patients at Pratt General Hospital, Miami, with a bingo party.

After the bingo game refreshments of cake and punch were served to those participating in the game and also to those in the ward who were not able to go to the recreation room.

Various Legion Posts in the Everglades take turns in sponsoring entertainment for the hospitalized veterans and find enthusiastic response to the efforts.

Those making the trip were Commander and Mrs. J. B. Jones, Mr. and Mrs. Homer Brooks, Mrs. Brooks is president of the local Unit, Mr. W. C. Allen, district president, Mr. and Mrs. Louis Kirkman, Mr. and Mrs. Joseph Motter Jr. and Mrs. Henry Vauter, Jr., Mr. and Mrs. Whitman Thomas, Mr. and Mrs. Jack Rashley, Mrs. Earl York, Mrs. Robert H. Hester, Mrs. Helen Johnson, Mrs. Mabel Tedder and her sister, Mrs. Willie Long.

**FPN INSTALLS LARGER VOLTAGE REGULATOR**

Anticipating continued growth of this area, Florida Power and Light Company installed last week a larger voltage regulator in the Belle Glade substation.

This modern General Electric Automatic regulator with about double the capacity of the unit replaced will better insure continuous voltage throughout the area.

The utility this year also plans to install larger automatic switches to handle the anticipated increase of power use.

Enlargement of equipment in the Belle Glade area is one of a series of betterments planned by Florida Power and Light Company is making in this area.

### Discussion On Cane Held At Clewiston

Recent developments in sugar cane research by the U. S. Department of Agriculture, the Everglades Experiment Station and the University of Hawaii, were discussed at a meeting of cane growers in Clewiston on Wednesday.

Dr. Forster, in charge of the local Station reported on the breeding program for the development of new varieties for the area.

Dr. W. A. Thames, entomologist said "Wireworms are causing considerable damage to cane in some areas and we find that the use of Chlorodane or Aldrin as sprays on seed cane is it is dropped in the furrow is giving the most satisfactory control."

The phenomenal response of sugarcane to phosphate fertilization on some of the older muck areas was discussed by Dr. B. A. Bourne. The importance of phosphate fertilizer illustrated by a comparison of a field with and one without.

**Yields in tons of cane**

	No Phosphate	Phosphate
Plant	65.7	66.00
Cane		
Stubble	34.2	51.3
Second Stubble	7.6	42.6

3 yr. total 107.5 159.9

Dr. E. V. Abbott, pathologist, USDA of Honne, Pa., discussed the virus stunting disease of sugarcane that was recognized as a hazard to cane in Australia a few years, and which was reported by him in the U. S.

Mr. Belcher of the Canal Point Station reported on new varieties for Florida.

As all varieties of cane grown in the U. S. are derived from importations emphasis has been given to kinds that carry resistance to diseases according to C. O. Grassel, Botanist of Beltsville.

It was pointed out by Robert Coleman, plant pathologist, USDA who discussed the deterioration of harvested cane at the time of storage before milling.

There is no breeding stock known to carry complete resistance to red rot, which is a most discouraging disease, according to Dr. Abbott. The Department is working on a mosaic, which is still with us.

The meeting was attended by approximately 50 persons from the Glades area who are growers of sugarcane.

**LARGE GROUP ATTEND BPW PICNIC IN PARK**

A large group of Business and Professional Women and their families attended the picnic in the park" covered dish supper which was held Tuesday night in the screened-in shelter.

The menu consisted of baked ham, fried chicken, baked beans, cole slaw, fry bread, red watermelon and cold drinks.

Those enjoying the supper were: Mr. and Mrs. D. R. Kemper, Mr. and Mrs. Chas. Henry, Mr. and Mrs. William Wall, Mrs. Imogene Fontaine, Mr. and Mrs. George Young and

### CIGARETTE TAX BRINGS \$5,396 TO THE CITY

The effect of the season is reflected in the report of the Comptroller of tax monies received during the month of May from the sale of cigarettes.

Belle Glade's monthly share this time is \$5,396, or approximately \$1,000 less than that of April.

The total for the state is \$1,526,886, with \$1,160,209 being distributed to cities and \$366,656 to the general revenue fund.

SQUARE DANCE IN PARKAttendance is increasing at  
the square dances on Thursday  
evenings which are put on by  
the directors of the Summer  
Recreational program. Thurs-  
day night approximately 350  
were spectators or took part in  
dancing.The young fry seemed to en-  
joy it even more than the adults.  
Teenagers and they are really  
learning to the music furnished  
by the Ellis boys and Walter  
Ashley.Most of the people attending  
the dances would like for them  
to continue but the Summer pro-  
gram ends July 31, and no  
doubt the square dances will  
also come to an end.It provided a source of enter-  
tainment for the youngsters as  
well as the parents, but there  
was quite a bit of work attached  
to making arrangements. So far  
the directors and all those tak-  
ing part in helping have done a  
wonderful job.

## YOU NEED YOUR CHURCH YOUR CHURCH NEEDS YOU...

ADVENTIST SCHOOL IS  
READY FOR ENROLLMENT

"A creeping rot of moral dis-  
integration eating into our na-  
tion," is the expression used by  
J. Edgar Hoover to describe the  
threat hanging over the youth of  
America today, according to F.  
D. Buchmiller, pastor of the  
Belle Glade Seventh-day Ad-  
ventist church.

Addressing his congregation  
yesterday on the subject of  
"Christian Education," Elder  
Buchmiller will point out the  
importance of the church in  
delinquency and teen-age im-  
morality. "The answer," he  
will say, "lies in the home and

in the church."

The minister will state that  
although America has one of  
the finest public school systems  
in the world, that is not enough.  
"As parents," he will state, "we  
make certain that our children  
have the positive elements nec-  
essary for physical growth. We  
make certain that they grow up  
in an environment that is  
helpful for spiritual development."

Pastor Buchmiller indicated  
often in his ministry that such  
an environment is the Christian  
church school.

Already students for the  
Belle Glade Seventh-day Ad-  
ventist church school are being  
accepted for the coming year!

The school is to be a bigger  
success than even last year. The  
same fine teacher, Mr. Robert  
West of West Palm Beach will  
again be in attendance. All par-  
ents, Adventist and non-Ad-  
ventist, should contact him  
when he returns, or the pastor  
now to start making plans for  
the children. The six grades  
will be in demand by pupils who  
desire to attend will be taught  
of all grades from the first  
through the eighth.

The denomination operates  
4,324 elementary schools  
throughout the world and 269  
schools above the elementary  
level. There are 16 Seventh-day  
Adventist colleges in North  
America, with a student capac-  
ity of 10,152.

OUR NATION TOPIC  
AT CIRCLE MEET

"Our Nation" was the pro-  
gram of the Presbyterian Cir-  
cle at the general meeting  
which was held at the Ever-  
glades Presbyterian Church  
Tuesday evening, with Mrs.  
Richard Murray presiding.

Mrs. Ralph Pipes, program  
chairman had the topic — Na-  
tions Christian Foundation; Mrs.  
Ruf. Christian Education for  
Our Nations Youth; Mrs.  
I. L. Price, Christian Citizenship  
and Mrs. John Randolph gave  
the devotion.

Other members present were:  
Mrs. Tommy Parker, Mrs. W. F.  
Knight, Mrs. John Gledhill, Mrs.  
David Moter, Mrs. Ben Stoen,  
Mrs. Ruth Barron, Mrs. Shirley  
Hughes and Mrs. C. E. Crichton.

Mrs. Gene Beck and Mrs.  
Mildred Booth were hostesses.

VICAR CONTINUES  
TALKS ON PRAYER

The art of mental prayer, or  
meditation, will be discussed  
next Sunday at 6 pm before the  
members of St. John's Episcopal

Church meeting at the home of

Mr. and Mrs. E. M. Lively.

Father Petrie spoke last Sun-  
day of vocal prayer, explaining  
that its highest form was in the  
recitation of the official Divine  
Office of the Church, because  
instead of being the prayer of  
an individual it was that of the  
entire mystical Body of Christ.  
He also stated that in a sense  
all people pray, even atheists,  
because prayer is essentially the  
deepest desire of the heart. He  
warned his hearers to watch  
their inmost desire, because it  
was likely to be realized — and  
they might like it.

They included Mr. and Mrs. Herman Calvert, Mrs. E. E. Miller and Mrs. C. R. Metcalfe from Kentucky and Mrs. S. Henderson of Winter Garden.

It was the first trip to Florida for the out-of-state visitors, who were very much impressed to see bananas and papayas growing and delighted with the Florida flowers and Glades in general. They took a number of pictures and papayas for a sample of this delectable fruit. They had been on a tour of Florida and expressed great appreciation for the courteous treatment which they had received all over the state.

**REV. JOHN COOPER NEW PASTOR AT SOUTH BAY**

The First Baptist Church of South Bay has called as their pastor, The Rev. John Cooper of West Palm Beach, who has served for the last two years as the pastor of Loxahatchee Baptist Church, which has grown during his ministry from a mission Sunday School into a full program church with property valued at \$15,000.

Rev. Cooper is a graduate of the Palm Beach High School and of the Baptist Bible Institute at Lakeland, where he was graduated with highest honors and a Christian Workers degree. Previous to his ministry at Loxahatchee he was pastor of the Baptist Church at Orsino.

He enlisted in the U. S. Marine Corps in 1941 and served for six years, four of which were in overseas service during the World War II.

His wife is the former Ann Parker of West Gate and they have two children, Sandra Lee and Johnnie Lee Cooper. He was in South Bay last

week to open the pasturism and prepare it for the occupancy of his family.

**NEWS OF GLADES BOYS**  
(Continued from Page 1)  
Representing 25 universities and the Naval Academy, they are members of the classes of 1954 and 1956.

A letter to the Herald was received this week from 2/Lt. Herbert C. Lloyd, who is in Korea.

Written July 10th, he says "I have been here a week now and was assigned to the 2nd Signal Company, Second Infantry Division. They in turn assigned me to the construction section, which has responsibility for laying wire to almost every unit in the Division, and I have spent most of my time riding around looking at the existing circuits with the old construction officer."

2/Lt. Lloyd is the son of Mr. and Mrs. N. D. Lloyd and husband of the former Jean Hooker, all of Belle Glade. His wife is attending summer school at the University of Gainesville, and will teach in the local schools this coming year.

A/Lt. George King left Saturday for his base in San Antonio, Texas after spending a 15 day leave with his parents, Mr. and Mrs. Edward King.

A/Lt. Don Barstow left Friday to return to Lawson AFB after a two weeks furlough during which he visited his grandmother, Mrs. H. M. West in Creston, Iowa, his sister, Miss Ruth Barstow in Denver, Colo., his brother, Carl Barstow and family in St. Louis, Mo., and his mother, Mrs. G. J. Barstow, whom he joined in Iowa and accompanied home.

**POSITIONS OPEN AT LOCAL POST OFFICE**

The U. S. Civil Service Commission, Atlanta, Georgia, announces an open competitive examination for indefinite or permanent appointment to the positions of Substitute Clerk, Substitue Carrier and Special Delivery Messenger in the Belle Glade, Florida Post Office.

passed their fiftieth birthday on the date of filing applications. These age limits do not apply to persons entitled to Veterans' preference.

Necessary forms and further information may be obtained

from the local Secretary, Board of U. S. Civil Service Examiners, at the Belle Glade, Florida Post Office, or from the Fifth U. S. Civil Service Regional Office, 5 Forsyth Street, N. W., Atlanta, Georgia.

## How to BOSS\* Your WIFE...

## TELL HER TO SHUT UP...

Yes — shut up her hot, noisy bedroom... buy her a room air conditioner... she'll sleep so well she'll never be tired or cross at you again. (And incidentally, that air-conditioned slumber won't be hard for you to take, either.) Here's the dope:

## \*Cheap, too!

Figure it this way: Divide my bill by 30 days... and by all the jobs I do. You'll see why folks in Florida save more electricity than people in most other places... it's a cheap, it's clean... it's modern... it's the way we do things! HAPPIER HOMES LIVING ELECTRICALLY!

**FLORIDA POWER & LIGHT COMPANY**

## Have yourself a HEART-LIFT!

From deep inside you comes a new stir and sparkle when you take the wheel of a fun-filled car like this Buick Convertible.

You feel happier just to be in a car with the lift of larks to its styling — with the breeze-blended airiness of all outdoors all around you.

It's a car that freshens your spirits with its sky-filled view — yet it can snug you in weather-tight shelter, when the need arises, with a mere finger-touch of hydraulic buttons.

But you get a heart-lift in this Convertible from something more than just its looks, or its versatility, or the push-button control of its top, its front seat and its windows.

You get it, too, from the sheer brilliance of its performance —

From the thrilling power of the great new Fireball V8 Engine found in every 1953 Buick SUPER and ROADMASTER — the modern and advanced V8 that reaches a new high in compression ratio —

From the new instant getaway of Twin-Turbine Dynaflow™ — where you move from standstill to cruising pace in a quick sprinkling of seconds, and with truly infinite smoothness —

From the deep comfort of riding soft and even-level on all-coil-spring cushioning — of sitting in sumptuous luxury on really wide seats — of handling over two balanced tons of fine

automobile with finger-tip ease and the gentle assist, as you need it, of Power Steering.\*

We'll be happy to have you guest-drive one of these stunning new Buicks — and let you see for yourself how much fun and fine feeling it can add to life. Why not drop in for a visit soon?

\*Standard on Roadmaster, optional at extra cost on other Series.
